

Registration for Pathways Charter School Field Trips

- Registration is on a first-come, first-served basis. After reaching maximum capacity on a particular trip, you will be placed on a waiting list.
- Once you have been registered for a trip, we will notify you via e-mail, fax, or mail with the driving directions and other pertinent details.
- There is a 14-day cancellation policy. If a trip is cancelled 14 or fewer days prior to a field trip date, student budget funds will not be reimbursed. Reimbursement for cash payments will be made on a trip-by-trip basis. Please check with Julie Carter as needed. If, at any time, you find that you won't be able to attend, it is courteous to inform us as far ahead of time as possible so that people on the waiting list can be invited.
- In the event of a last minute absence due to illness or family emergency, please inform us anyway, even if during or after the event. THANK YOU!
- To pay for parents or other non-Pathways-student attendees, please include a check made payable to *Pathways Charter School* with a note in the memo as to which field trip it is for and for how many participants. Priority will be given to Pathways students and their parents.

Please send *both pages* of this registration form with a check made payable to *Pathways Charter School* to:
